RC Association Holds Elgin Meeting Tuesday

ELGIN — Members of Fayette County Association for Retarded Children met in the special education room at Elgin Tuesday at 8 p.m.

Special education teachers from Fayette and Elgin classrooms gave a summary of their year's work. They explained how the program for this year worked for their respective classes.

Special education pupils from the northern part of the county are divided by age groups. Mrs. Swartz, Fayette, has the 10-13 age group; Mrs. Oelberg, Elgin classroom, has from 6-9; and Mrs. Schott, West Union classroom, has the older children.
