Priewert Named Conservation Director Monday

MASON CITY — Fred A. Priewert, 45, of Pierre, S.D., was today named director of the Iowa State Conservation Commission. The announcement was made by Commission Chairman Mike F. Zack of Mason City.

Priewert succeeds E. B. Speaker who resigned as director last month to become special projects coordinator for the Commission.

Priewert, who is presently chief of the Game Management Division of the South Dakota Department of Game, Fish and Parks, will begin his new duties in Des Moines June 17. He has 20 years of professional experience in wildlife and natural resource management, including a broad background in wildlife conservation and administration. Speaker, 61, had asked the State Conservation Commission to accept his resignation as director and consider him for a position of less responsibility. A veteran of 37 years with the State Conservation Commission, he had been director the past five years. The Commission at its last meeting appointed him special projects coordinator.

Ten Students To Practice Teach

FAYETTE — Ten Upper Iowa College students will take their student-teaching experience this summer in the public school systems of Oelwein, Waterloo, and Cedar Rapids, it was announced today.

According to Dr. Donald Fostvedt, director of student teaching, the students will work with members of the regular faculty of their respective schools this summer, as they finish their requirements for teaching certificates.

Taking part as student teachers this summer will be:

Cedar Rapids — Arthur Johnson, Strawberry Point; Cynthia Bowker, Cedar Rapids; Richard Louk, Cedar Rapids; Judith Kibble, Cedar Rapids; and Gary Horne, West Union.

Oelwein — Judy Shipton, Fayette; Andrea Possel, Marshalltown; and Ellen Flahive Shadle, Fayette.

Waterloo — Charles Bell, Fayette; and Gary Schwab, Charles City.

Am-Vets Club Razed In Fire

WAVERLY — Fire destroyed the Waverly Am-Vets Club early Tuesday, and the state fire marshal was asked to investigate.

Fire Chief Arnold Schellhorn said there may have been an explosion. He said two walls were blown out.

An insurance broker estimated damage at \$34,000.

Emergency Units Plan Move Today

Iowa Highway Patrol officers are planning to return to their headquarters located on North Frederick as soon as possible according to the latest word received from officers at Northwestern Bell's temporary location in the basement.

Sergeant Elmer Angle said that the only problem at the present time is the lack of electrical power and that it is expected to be restored soon.

The central control unit of the emergency radio units who set up headquarters in the phone company's basement will move today to the offices of the City Street Department.

Name Disaster Chairmen

MASON CITY — W. Earl Hall of Mason City and Virgil Jacobson of Charles City have been named co-chairmen of the Red Cross Disaster Relief Appeal for Iowa tornado victims, Red Cross disaster headquarters announced Tuesday. Hall is former publisher of the Mason City Globe Gazette, Jacobson is vice president of the Charles City Bank and city treasurer of the stricken northeast Iowa community.

Discuss New Water Main

WEST UNION (Special) — The West Union city council discussed 3,000 feet of eight-inch water main pipe for the southwest section of the city Monday night at a regular meeting of the West Union council.

The main will be laid to the west water pump.

Officials are expected to advertise for bids in three to six weeks as soon as approval of the project is received from the State Highway Commission and the railroad.

Poor People

WASHINGTON — The Poor People's Campaign launched today its drive for congressional action on demands for jobs and income by sending delegations to the House and Senate. About 75 persons left their camps in Resurrection City, U.S.A., to attend House hearings on the problems of hunger. Ten more were dispatched to a Senate hearing on urban problems. Others were delegated to call on individual congressmen.

Stock Market

NEW YORK — The stock market showed a firmer tone this afternoon, gradually improving after a hesitant start. Trading was fairly active. The volume total was boosted by a series of unusually large blocks in assorted issues.

May Intervene

PARIS — Ambassador W. Averell Harriman conferred with Charles de Gaulle today amid increasing speculation that other powers may intervene with North Vietnam and the United States to assist Vietnamese peace negotiations. Emerging from Elysee Palace, Harriman treated his visit purely as a courtesy call, saying he had thanked the French president for his hospitality to the American negotiating team. But U. S. officials believe that at some point De Gaulle may have an important role to play in encouraging accords to end the war.
