NEWTON COUNTY 5.2 WSW ADE [40.8: 87.53]	06/27/20 15:30 CST		0	Flash Flood (due to Heavy Rain)

Three bridges and several county roads were washed out. Numerous roads were flooded. A fire truck was lost due to flooding. Many homes were damaged and several homes received a considerable amount of damage. The flood waters were five feet high in some homes and the flood waters were six feet deep in places on the south side of Kentland. The flood waters began receding early in the morning of June 28th.

filled streets, stranded cars and flooded homes. Some of the rescues included vehicles that were flooded on Route 41 and Route 24 as well as county roads. A family of three, which included an infant, was rescued from 1700 South. Rescues on Route 24 occurred from the Indiana/Illinois state line to

between Kentland and Goodland.
