Full name and title	Phone Number	Email Address

Please answer the following questions. (Use an additional sheet if necessary)

1. Please describe your knowledge of NWS products and services.

2. What interests you most about volunteering at the NWS office in Newport and how would this experience fit into your career goals?

3. What previous meteorology related activities and experiences have equipped you to be a volunteer at NWS Newport? Explain.

4. What specific aspects of meteorology most interest you and why?

5. If selected to volunteer, you would be expected to contribute to an office research or other project. Do you have any particular area you would like to focus this research or project on? Do you have any specific research ideas in mind if you are selected to volunteer here this summer?

I certify that the foregoing statements are true, complete and correct to the best of my knowledge and belief. I understand that a false or incomplete answer may be grounds for not considering me or for my dismissal.

Date: _____

ADDITIONAL INFORMATIONFinal

Deadline: The application packet deadline for the 2019 summer volunteer program is March 13, 2019. The application packet includes this application, a resume, and transcripts. See <https://www.weather.gov/mhx/StudentInterns> for more information.

Contact: If you have any questions, please contact the Student Volunteer Program Coordinator, Carl Barnes, at Carl.Barnes@noaa.gov.

Privacy Statement: All information, including your resume and transcript will be viewed only by selecting officials. However, note that sending Personally Identifiable Information (PII) insecurely via email is a violation of US privacy law and information security. Thus, if you wish to send any portions of the application packet electronically, contact carl.barnes@noaa.gov to have a secure drop box set up.

Supplemental Information: If space is too limited to include descriptive information about academic achievement, publication, organizational involvement, etc., please include the information on your resume when submitting the application packet.
