Norms for the Aviation Webinar series

- *Mute your microphone when you are not speaking.*
- *Limit background noises and view of activity as best you can.*
- *Keep your questions and/or comments brief so there is time for others to contribute.*
- *Use the chat feature to post your comments or questions OR raise your hand to ask your question and they will be taken in the order that they appear*
- *Presenters - please keep to your allotted time.*

- *Screen sharing (speakers will present their own slides unless requested otherwise)*
- *(Parking Lot) - A place to add lingering questions and concerns for follow-up by noting the questioner and topic - all attendees will be able to view.*
