

**National Weather Service Burlington Vermont at the Champlain Valley Fair
Friday, August 23rd to Sunday, September 1st, 2024**

Meteorologists from the [National Weather Service \(NWS\) office in Burlington, Vermont](#) will host a booth at *The Champlain Valley Fair*. The NWS booth will be located in the Miller Expo South building and be staffed daily from 10 am to 8 pm from Friday, August 23rd through Sunday, September 1st.

The booth will feature static displays on VT Historical Storms, VT Climatology, Recent Impactful Weather including the July 2023 and July 2024 Floods, Winter Storms, Strong Winds, Tropical Weather and Weather Safety. There will be a monitor focused on the weather event of the day or upcoming week as well as interaction with NWS Burlington and other NOAA websites.
