Dramatic Rescues Mark States Worst Flood—Normandie Smashes Atlantic Record

SAVED FROM ALAPACHO MILL—This last lead of flood victims are survivors of the flood near Annapolis. They and others were forced to spend 48 hours in a mill near Annapolis until rescuers could reach them. Several others made their way to land by means of a rope before the boat arrived.

NEW QUEEN OF ATLANTIC SPEEDS INTO PORT—Rushing into New York harbor to set a new record for Atlantic crossings, the world's largest liner, the French ship Normandie, is shown in the above air photo. The picture was taken off Westbury Point, Long Island, yesterday morning at the Normandie's near completion of her maiden voyage.

HOOVER AT DES MOINES—The Winifredo shows former President Herbert Hoover as he arrived at Des Moines to deliver the address at Drake university commencement, yesterday. He is sitting with Gardner Gentry, ex-Des Moines publisher, at the latter's home.

HOUSE WASHED ONTO SAIL TRIBLETS—A flood survivor at Meadville is shown here searching for bodies in a devastated home and as by flood victims on a railroad trestle over a small stream between the town proper and the city power plant. Note washing machine in right foreground and other household furnishings.

HOPE LEADS FLOOD VICTIMS TO SAFETY—Bill Krueger of Annapolis was one of several men rescued by this rope which led from a flood-surrounded mill to the bridge. He remained in the mill for two days, the rope used without either food or water.

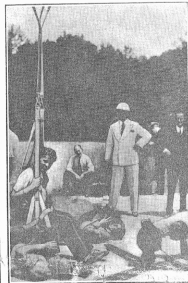

GOLDEN FEEDS BABE RESCUED FROM FLOOD WATERS—Francis O. C. Meyer of Lincoln is shown in this World-Herald photo as he fed John James Davis, 3, of Oxford, Neb., after the baby, with his parents, Mr. and Mrs. O. J. Davis, all had been rescued Sunday morning from raging flood waters of the Republican river. John James seems to be enjoying up well under his orphan.

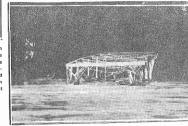

HOW MODERNS USE LEISURE—Three Tenth High motor girls demonstrate how girls of 1935 spend their leisure time—up-aping readings in a movie theater lobby. This was one of five scenes from the annual student program at the annual auditorium yesterday. Above are Dorothy Grant, seated, and Lucille Ralston, at her right. Beulah Wright looks on from behind.

TRAILS KIDNAPERS—In his laboratory at Seattle, Lulu S. May is shown here after he had been called into the Weyerhaeuser kidnapping case and had started a study of the roman cello, the in the northwestern coast noted crinologist.

ABELIA TESTS PARACHUTE—Although Amelia Earhart has never been forced to "pull out" of a falling plane, she now knows how it feels to descend in a parachute. Miss Earhart is shown here, she jumped from a platform 115 feet in the air and floated down on the already opened chute.

STEEL BRIDGE WASHED AWAY—Here is a steel bridge span 200 feet long, hurled by flood waters from a county highway route near Oxford, Neb. A mile of highway also was destroyed.

NEW MOTHERS KITTENS—This white negro pig was once surrounded by four kittens on the Elmer Swenson farm north of Florence for more than two weeks. Mother cat is very much satisfied with the arrangement.

BELLE OF NORTH—16660 Alton, 23, native of Utah, Alaska, was chosen by voters from the United States awaiting fleet to be the most attractive girl in the Alaskan Islands.

RIVAL RIVER BOAT SUPPERS—Two of the nation's greatest hamsters, Will Rogers, left, and Irving Galt, are shown working on a picture now being filmed on the Sacramento river. They play the role of rival river boat captains.

FAMED ARABIAN HORSES IN FAIR PAGEANT—"Days of Saladin" opened tonight at the San Diego fair in featuring horses from the collection of the Highway Institute of Annual Horsebody. The above photo is a scene from the pageant showing two of the horses, some of which are valued at 25 thousand dollars each.
