

County Impacts Associated with Francine (2024)

Narratives are listed in alphabetical order by county.

Updates:

- 09/12/2024 - Initial issuance.

County Name Brazoria	Injuries: 0	Fatalities: 0	Evacuations: 0
<p>Coastal Brazoria County was under a Tropical Storm Watch before Hurricane Francine turned away from the Texas coastline. Only limited impacts were experienced with minor coastal inundation and rainbands producing up to around half an inch of rain.</p>			

County Name Chambers	Injuries: 0	Fatalities: 0	Evacuations: 0
<p>Chambers County was under a Tropical Storm Watch before Hurricane Francine turned away from the Texas coastline. Only limited impacts were experienced with minor coastal inundation and rainbands producing up to around half an inch of rain.</p>			

County Name Galveston	Injuries: 0	Fatalities: 0	Evacuations: Unknown
<p>Coastal Galveston County, including Galveston Island and the Bolivar Peninsula, was under a Tropical Storm Watch before Hurricane Francine turned away from the Texas coastline. Minor coastal inundation was experienced with two reports of coastal flooding impacts including around 16-18 inches of coastal flooding in the Bay Harbor area of Galveston Island (which is on the Bay side), and reports of water running over HWY-87 along Bolivar Peninsula causing debris to go onto the roadway. There was a voluntary evacuation for the Bolivar Peninsula in effect. There were a few wind gusts of 33kt (38 mph) reported along Galveston Island and in the near shore waters. Around 0.5" to 1" of rain fell across Galveston Island due to passing rainbands.</p>			

County Name Harris	Injuries: 0	Fatalities: 0	Evacuations: 0
<p>Southeast Harris County was under a Tropical Storm Watch before Hurricane Francine turned away from the Texas coastline. Only limited impacts were experienced with minor coastal inundation and rainbands bringing up to around half an inch to an inch of rain.</p>			

County Name Jackson	Injuries: 0	Fatalities: 0	Evacuations: 0
<p>Coastal Jackson County was under a Tropical Storm Watch before Hurricane Francine turned away from the</p>			

County Name Jackson	Injuries: 0	Fatalities: 0	Evacuations: 0
Texas coastline. No impacts were experienced in Jackson County other than some light rainfall.
