Contact International Tsunami Information Center  
E-mail: [itic.tsunami@noaa.gov](mailto:itic.tsunami@noaa.gov) to schedule

## April is Tsunami Awareness Month in Hawai'i

Tsunamis can happen at any time of the day, and with little or no warning. Waves can come ashore in less than 5 minutes or take about 15 hours to arrive in Hawai'i. Make sure you and your family are prepared. Get Tsunami Ready Now!
