| Site | Flood Stage | Date | Crest | Flow | Category | Basin | Stream | County of Gage | County of Forecast Point |
|-------------|-------------|-----------|-------|--------|----------|----------|-------------|----------------|--------------------------|
| Cooks Falls | 10.00 | 4/18/1982 | 10.99 | 12,100 | Minor | Delaware | Beaver Kill | Delaware | Delaware |

Weather Summary

The wet April continued for southern New York, as a weak cold front associated with a low pressure system over Canada moved through the region. Both rain and snow fell across southern New York as temperatures were right near freezing. Nonetheless, about 0.50 inches of precipitation fell and caused flooding on the Beaver Kill in Cooks Falls, NY.
