Subject: Soliciting Comments on the Experimental Nearshore Wave Prediction System (NWPS) Gulf Stream Forecast Guidance Webpage for WFO Miami, FL through December 31, 2019

The NWS is seeking comments until December 31, 2019 on the Experimental NWPS Gulf Stream Forecast Guidance webpage from Weather Forecast Office Miami, FL (MFL).

The site linked below shows graphics of the Gulf Stream current, significant wave height, wind speed and peak wave period and direction at 3-hourly time periods for locations along the Atlantic side of South Florida:

<https://polar.ncep.noaa.gov/nwps/nwpsloop.php?site=MFL&loop=Miami Bimini&cg=1>

Additional information is available in the Product Description Document (PDD) online at:

https://nws.weather.gov/products/PDD/PDD_ExpGulfStream_2019.pdf

Comments may be provided via an online survey at:

https://www.surveymonkey.com/r/Gulf_Stream
