Subject: Updated: CANCELED: National Tsunami Warning Center Routine  
Communications Tests for the West Coast and Alaska Coast to Take Place on  
December 12, 2024

Updated to cancel this month's routine test. With the recent seismic activity along the Pacific coastlines, the NWS National Tsunami Warning Center (NTWC) has requested to cancel this week's Pacific (West Coast and Alaska) routine monthly communications test, which was scheduled for Thursday, December 12, 2024. The next test is scheduled for January of 2025, and a Public Information Statement (PNS) will be disseminated in advance of the test.
