Subject: Soliciting Comments on Proposed Discontinuation of High Seas and Storm Warning over NIST Time Frequency Broadcasts through January 20, 2018

Beginning Wednesday, December 20, 2017 and continuing through January 20, 2018, NWS seeks public comment on use of National Institute of Standards and Technology (NIST) Time Frequency Radio Broadcasts of High Seas and Storm warnings.

NIST Broadcast information is available at:

<https://www.nist.gov/pml/time-and-frequency-division/radio-stations/wwv>

and

<https://www.nist.gov/pml/time-and-frequency-division/radio-stations/wwvh>

Please submit comments or questions to:

nwws.issue@noaa.gov

with "NIST Marine Warnings" in the Subject line.

Upon the completion of this comment period, NWS will evaluate all comments to determine whether to proceed with discontinuation of the High Seas and Storm Warnings.

National Public information Statements are online at:
