Subject: Transition of the weather.gov Design Refresh from Experimental to
Operational Status: Effective July 2, 2012

Effective Monday, July 2, 2012, the design refresh of the NWS website will
transition from experimental to operational status. This product is
available online at:

<https://www.weather.gov>

URLs for all existing data feeds and products as well as point forecast
pages will remain unchanged.

The NWS previously sought comments regarding this product:
