Subject: Original NOHRSC Domain Name Permanently Switched from nws.gov to nohrsc.noaa.gov: Effective September 12, 2013

Effective September 12, 2013, the original National Operational Hydrologic Remote Sensing Center (NOHRSC) domain name was permanently switched from nws.gov to nohrsc.noaa.gov. The nohrsc.noaa.gov domain has been in use at NOHRSC within its public facing services, such as the website, for several years with the original nws.gov domain aliased to it. Legacy references to the nws.gov domain should be changed to nohrsc.noaa.gov.
