Service Change Notice 14-46  
National Weather Service Headquarters Washington DC  
717 AM EDT Wed Sep 17 2014

To:           Subscribers:  
              -Family of Services  
              -NOAA Weather Wire Service  
              -Emergency Managers Weather Information Network  
              -NOAAPort  
              Other NWS Partners, Users and Employees

From:         Steven Hill  
              Lead, Development and Transition Section  
              Space Weather Prediction Center

Subject: Transition to Operational Status of the Space Weather Prediction  
Center Website: Effective September 29, 2014

Since April 2014, NOAA's Space Weather Prediction Center (SWPC) has received feedback from stakeholders and users on its new experimental website. Effective September 29, 2014, SWPC will transition this new website to operations. The URL for the experimental site will remain online:

[origin-www.swpc.noaa.gov](http://origin-www.swpc.noaa.gov)

This website will be operationally supported via our primary URLs:

[www.swpc.noaa.gov](http://www.swpc.noaa.gov) and [www.spaceweather.gov](http://www.spaceweather.gov).

The SWPC legacy website will be available for 60 days following the transition at a new URL:

[legacy-www.swpc.noaa.gov](http://legacy-www.swpc.noaa.gov)

For questions or feedback regarding this notice, please contact:

Dr. Steven Hill  
Space Weather Prediction Center
