

Tsunami Educational and Outreach Materials

One of the TsunamiReady® Guidelines is to support an ongoing sustained tsunami public education effort. This effort includes the development and distribution of outreach materials. The purpose of this form is to share and facilitate the available tsunami education materials by the International Tsunami Information Center (ITIC). By filling out this form, the materials will be shipped to the requesting stakeholder within the US, including states and territories, in support of their education, outreach and preparedness activities. All requests will be dependent on availability of materials. Send the form to itic.tsunami@noaa.gov

*NOTE: The International Tsunami Information Center (ITIC) will cover the costs of shipping.
