MEMORANDUM FOR: W/OPS4 - James D. Belville  
FROM: W/OHD - Gary M. Carter *Gary Carter*  
SUBJECT: Final Report for the 2001 Radar  
Operations Center (ROC) - Office of  
Hydrologic Development (OHD) Memorandum  
of Understanding (MOU)

Attached is the first part of the Final Report for this year's ROC-OHD MOU covering the period from June 1, 2000 through May 31, 2001. This report describes the development work performed by the National Weather Service/OHD Hydrology Laboratory to improve operational WSR-88D rainfall algorithms and products and is also available for viewing on-line at the Hydrology Laboratory's web site at:  
[http://www.nws.noaa.gov/oh/hrl/papers/2001mou/Mou01\\_PDF.html](http://www.nws.noaa.gov/oh/hrl/papers/2001mou/Mou01_PDF.html).  
The remaining portions of this Final Report from Princeton University and the University of Iowa and supported by this MOU will be forwarded when they are delivered to us in August as per our existing Cooperative Agreements with them.
