# STATUS REPORT  -  January 2007

## Move to PostgreSQL, Build OB7.2

Team leader, Juliann Meyer, has been working with the RFC Support Group testing the beta load on ax-nhor.  She has also been working with the RFC Support Group investigating some periodic slowness issues with the shef_decode_raw apps at NWRFC.  In addition, Juliann has, with the help of one or two of the RAXUM team support programmers been providing technical support to Raytheon on various discrepancy reports (DRs) related to the RAX.

## 2007 Team

The team has been formed and an updated charter and list of team members can be found at:   http://www.nws.noaa.gov/oh/rfcdev/projects/rfcADEMT_chart.htm
