

STATUS REPORT - September 2006

New to the Web

The documentation for ob7.2 is now available, it can be found at:

http://www.nws.noaa.gov/oh/rfcdev/projects/rfcRAX_db72_docs.htm

In addition the "Documents/Presentations" page has been revised; it can be found at:

http://www.nws.noaa.gov/oh/rfcdev/projects/rfcRAX_docs.htm

Move to PostgreSQL, Build OB7.2

First cut of the basic documentation package has been completed. The team is working on some supplemental documentation that some of the field has indicated would be nice to have.

Transition of OHD Archive Scripts

First cut at a monitoring script was distributed to the RFCs in mid-September. Juliann Meyer is now working with Donna Page to get this script integrated into the RAX baseline.
