Notes:						

Please do not write in shaded areas.

Public reporting burden for this collection of information is estimated to average two hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other suggestions for reducing this burden to nws.tsunamigrants@noaa.gov.

Statement on confidentiality: Notwithstanding any other provisions of the law, no person is required to respond to, nor shall any person be subjected to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number.

Describe additional activities entity	does to support TsunamiReady program goals:		

Signature of Applying Official					
I acknowledge that this baseline TsunamiReady recognition does not indicate that our community has identified and/or provided reasonable access to high-ground or safe refuge for all populations. I have discussed this with the National Weather Service Verifier and my State/Territory Emergency Manager (or similar position).
